A Wonderful Success.

Read what Minnaugh has to say in this issue. He has been busy for the past few weeks opening up spring goods and he wants the public to inspect them. He has bargains without end in dry goods, dress goods, trimmings, silks, millinery, embroideries, etc., etc. Keep an eye on Minnaugh. Call to see him. To give an idea he quotes a few prices in this paper.

Mr. Baxter Re-elected.

The county board of control held a meeting yesterday morning for the purpose of electing a beer dispenser for another year. Mr. Baxter, who has been running the beer dispensary for several years, was re-elected. Mr. Baxter has made a good manager of the beer dispensary—keeping an orderly place of business, and his selection could not be improved on.

Looking for the Bodies.

Sunday several hundred people were on the banks of Saluda river near McNary's ferry, looking for the bodies of the negroes that were drowned there last Wednesday. Neither of the bodies has yet been recovered. Several dynamites were exploded, but the bodies did not come up. Searching parties are still looking for them.

Deputy Sheriff Johnson Hurt.

Deputy Sheriff Johnson came into town Monday morning considerably banged up. He had gone up to spend Sunday with his father, and Sunday night while returning from a visit across Indian creek, near the Henson place, his horse shied and threw him. His face was badly skinned and bruised and pained him considerably. We are glad that he escaped with no bones broken.

COLE L. BLEAKE, Member State Executive Committee, Newberry, S. C.

The Clothing Importation.

Jamieson has the most complete line of clothing on his counters for the spring trade ever brought South. He made the personal selection and his life time experience has fitted him to make a selection that would please those whom he has the privilege to serve. He has an established reputation in business and it has long been known that what Jamieson says concerning a purchase from his store can be relied on to be found true. Examine his stock; take into consideration quality, price, etc., and see if it can be beaten. Jamieson studies to please—and if nice goods and low prices will do it, Jamieson is the man you want to see.

Surgeon's Knife Not Needed.

Surgery is no longer necessary to cure piles. De Witt's Witch Hazel Salve cures such cases at once, removing the necessity for dangerous, painful and expensive operations. For scalds, cuts, burns, wounds, bruises, sores and skin diseases it is unequalled. Beware of counterfeits. W. E. Pelham & Son.

Mr. J. N. Reeder Receives High Compliments.

Mr. J. N. Reeder, who was agent for the Southern Railroad for three years at Old Town, S. C., giving good service to the company, and was promoted as cashier in Southern depot at Union, S. C., for two years, was elected bookkeeper and assistant cashier (in a new bank of Union, S. C.) over twenty other applications.

This was done without Mr. Reeder knowing anything whatever about the matter. Mr. Reeder deserves much credit. However he didn't accept the position as offered and is in the general office of the Union & Buffalo Cotton Mills, Union, S. C.

No doubt Jack will give satisfaction wherever he goes. ***

One Minute Lax.

It makes no difference whether you were one minute or one hour laid up, you missed the train. Better get there on time. Colds lead to coughs, coughs to pneumonia and consumption; therefore, it is all important to check a cold before it reaches the lungs. Perry Davis' Painkiller will positively break a cold inside of twenty-four hours. There is but one Painkiller, Perry Davis'.

There was some bad behavior in the Lutheran Church Sunday night. If persons go to church only to make personal remarks about ladies as they enter, wouldn't it be better if they remained away? The young men who were guilty of it, are in position to know better.

De Witt's Little Early Riser keeps the liver and bowels in healthy condition and remove the cause of such troubles. C. E. THE JOINT DEBATE.

And Anniversary Celebration of the Literary Societies of Newberry College—A Strong and Logical Debate Before a Crowded House.

On Friday night the anniversary celebration of the literary societies of Newberry College was held. There is always the greatest interest taken in these occasions by the people of Newberry, and on Friday night, although the weather was inclement, the house was crowded. The Excelsior and Phrenokosmian Societies were represented in the debate and by an orator, and the Philomathean, the young ladies' society of the college, by an essayist. The excellent program was well carried out in every particular. In fact, the opinion was freely expressed that this celebration was one of the best in the history of the societies.

Mr. W. C. Summer presided with ease and grace. The question for debate was: Resolved, That children under 14 years of age should be prohibited by law from working in cotton mills and factories.

The Phrenokosmian Society, as represented by Messrs. C. L. Wessinger and S. P. Frick, upheld the affirmative side of the question, and Messrs. W. F. Bedenbaugh and C. D. Elmore, of the Excelsior Society, argued the negative. Some strong argument was brought forth by both sides, and the speakers held the attention of the large audience to a remarkable degree. The decision was awarded the affirmatives. The committee was composed of the Rev. W. L. Seabrook, Prof. B. H. Johnstone and Dr. W. E. Pelham.

It is safe to say that the entire audience did not agree with the decision arrived at, after a long consultation, by the committee.

There was no orator from the Excelsior Society on account of the sickness of Mr. J. W. Ballentine, who was to have delivered an oration on "The Progress of a Century."

Mr. H. A. Fulmer was the Phrenokosmian orator. His subject was, "A Nation's Grief."

Last on the program was Miss Marguerite Cromer, representing the Philomathean Society. She read an essay, subject, "The Prize the Vanquished Gain." The essay was well written, the thought being clothed in choice and beautiful language.

It conquers Grip, saves little ones from Croup and Whooping Cough and is positively guaranteed for all Throat and Lung troubles. 50c, \$1.00. Trial bottles free at all Druggists.

He Does Not Make It.

Your grocer may be perfectly conscientious in recommending another flour to be "just as pure as 'Clifton,'" but he does not and cannot know it to be so, because he has nothing to do with its making. It behooves you, therefore, to buy an absolutely guaranteed flour—one that the Anti-Adulteration League puts its registered trade mark on—and such a flour is Bransford's "Clifton." It is not only absolutely pure, but it is the best winter wheat patent flour in the market. Ask your grocer for it.

If you want a cheaper flour buy our "White Fawn" (half patent) or spotless (Straight). They are just as pure, though not so white as 'Clifton.'

For sale by Palmetto Grocery Co. and E. R. Hipp in Newberry, and J. D. Stokes at Whitmiers.

Col. Jno. F. Hobbs.

Col. Hobbs with Mrs. Hobbs and their daughter, Miss Ethel, will visit Newberry during the month of April. They expect to sail from New York about April 12 or 15, and will reach Newberry about April 20.

Mrs. Hobbs and Miss Ethel will remain in Newberry on a visit to relatives and friends until he returns.

We shall be glad to see the Colonel and his family and feel sure they will be given a cordial welcome in his old home.

Could Not Breathe.

Coughs, colds, croup, grip, bronchitis, other throat and lung troubles are quickly cured by One Minute Cough Cure. One Minute Cough Cure is not a mere expectorant, which gives only temporary relief. It softens and liquefies the mucous, draws out the inflammation and removes the cause of the disease. Absolutely safe. Acts at once. "One Minute Cough Cure will do all that is claimed for it," says Justice of the Peace, J. Q. Hood, Crosby, Miss. "My wife could not get her breath and was relieved by the first dose. It has been a benefit to all my family. W. E. Pelham & Son.

TWO PRETTY GAMES.

Clinton and Newberry Teams Both Did Themselves Honor in the Games at Newberry—Newberry Won Both Games but the Clinton Boys Played Good Ball.

The first game of ball of the season was played at the college park Friday afternoon between the nines of Clinton and Newberry Colleges.

The game was called a few minutes before 4 o'clock and it was fast and interesting throughout.

On account of the drizzling rain the crowd of spectators was small, but those who braved the weather were amply repaid, for the game was one of the best ever seen in Newberry.

The most pleasant part of all was that both games were void of kicking or wrangling on the part of either side—the unpleasant features of most games of ball.

Both teams played good ball, only three errors being made. Newberry's pitcher did good work in the box, striking out nine and giving only three bases on balls. Sadler, of Clinton, struck out 14, and gave four bases on balls.

The official score of the game was 3 to 2 in favor of Newberry.

Saturday morning another game was played and Newberry won. Score, 5 to 3. The next game is scheduled for Thursday afternoon with Furman College nine.

Mr. Burton would be pleased for all who want to go, outside of the college and graded school parties, to let him know at once so that he can make the necessary arrangements to accommodate them.

The idea is to carry as large a crowd from Newberry as possible with the college party. So see Mr. Burton at once and give him your name.
